**SHARE
YOUR
FEEDBACK**

The Caledonian Park master plan outlines future infrastructure upgrades to support sport, recreation, and community use. This includes improvements such as future sports field planning, lighting, parking amenities, and other facilities design to help the park serve the community over time.

Council invites your feedback on how you use and value the park, and any suggestions or concerns you may have. Please complete the short survey below and return it by **20 September 2026** via:
